

FHIRA TRIANA MAULANI

Dare to try, dare to take risks.
Eliminate your fears and make your parents proud.

About Me

I am a Systems Information student with a strong interest in programming and application development. I have skills in MySQL, CSS, HTML, Flutter, Vue, Java Script and React, which I have honed through various academic and personal projects. I am eager to continue learning and developing my skills, and I am looking for opportunities to contribute to an innovative software development team.
